Autumn Newsletter 2023

It's that time of year again where we look forward to settling back into a routine with school and nurseries returning. In our Autumn newsletter, we have celebrated the success of our Summer programmes, including our Let's Plays, Little Bakers, and Tot's that Bop. There are also some lovely pictures of our families enjoying the programmes on offer and we hope to see lots of you back, along with some new faces in the coming months. Please take some time to read through our newsletter to see some of the new programmes on offer as well as some old favourites. We hope all our children who have moved on from our Developmental Programmes have settled into their new playgroups and are doing well. We will be welcoming our new children starting in September.

As our thoughts turn to Christmas we wish to advise our families that we endeavour to offer support and signposting as families struggle with the cost of living crisis, please contact any of our team for confidential support.
